

Summer Reading

Saint Paul's Episcopal School

6th, 7th, and 8th Grades

Required Reading Assignments

This summer, you are required to read two books. One title has been selected for you, and you will need to select a second book from the Recommended Summer Reading List for 6th – 8th Grade. You will write a book review for each selection, which is due on the first day of school. Each review must be one page, typed, 12-point font, and double spaced. The review is to be no longer than one page.

Each book review is to give a brief summary of the book and your opinion of the book, including supporting evidence from the book. While your summary is brief, it is to include the plot, setting, and a description of the main character(s). Your papers are to reflect your best writing. Please include a heading, at the top, left hand corner of the paper. (See example.) I have also included a recent book review and hope that this example will help you in writing your review.
