

St. Paul's Drop-Off Map

Please use your assigned gate.

Rainy Day Drop-Off: Gate 4 will divert to Gate 2. See instructions for Gate 2. All other gates remain the same as non-rainy days.

Drop-Off Map Gate Details

Gate #1: Alley/O'Ferrall Hall

Enter through the alley on Harrison Avenue to the O'Ferrall Hall doors. Traffic will yield and merge with traffic from Gate 2 and exit on Vicksburg. We ask that you not turn right on French to avoid our families using Gate 4.

Gate #2: Canal Blvd.

Enter from Canal Blvd. Please drive North on Canal Blvd, enter the blacktop gate and proceed between the lower and middle school buildings, heading in the direction of Vicksburg. Middle school teachers will greet students on the left. Lower school teachers will greet students on the right. For Baby Saints, it will be best to have your child's car seat behind the driver's seat. For safety, please have all children exit the vehicle closest to the building of your lane. There are two lanes of traffic, and we do not want children exiting cars in the middle. Traffic will yield and merge to the alley traffic and exit on Vicksburg. We ask that you not turn right on French to avoid our families using Gate 4.

Gate #3: Little Saints Dunn Bldg.

Corner of Vicksburg and French. Drop-off time is between 7:30AM-8:30AM. Children must be walked to the first door of the Dunn building.

Gate #4: French St.

The drop-off location is on French St., just past the Dunn Building. Please drive West on French. On rainy days, a yellow flag will be posted to denote that it is rainy day drop-off. On rainy days, you will drop-off at Gate 2.

Please be sure to see map details for each gate and note that your assigned gate may have changed from last year.
